This document is not a contract of insurance. It is a partial listing of healthcare benefits. Refer to your certificate for a complete listing of healthcare benefits. Benefits are determined based on Medical Mutual of Ohio's medical and administrative policies and procedures.

No person other than an officer of Medical Mutual of Ohio may agree, orally or in writing, to change the benefits listed here. The contract or certificate will contain the complete listing of covered services.

In certain instances, Medical Mutual of Ohio's payment may not equal the percentage listed in these charts. However, the covered person's coinsurance will always be based on the lesser of the provider's billed charges or Medical Mutual of Ohio's negotiated rate with the provider.

- 
- <sup>1</sup> Copays do not accumulate to deductible or coinsurance limits.
  - <sup>2</sup> Office visit copay applies to the cost of the office visit only.

  - <sup>5</sup> The benefit period maximum is combined for both retail and mail order drugs.
  - <sup>6</sup> Drug benefit contains the following:
    - Rx Selections® Drug List: A list of drugs on the Rx Selections® formulary will be used.
    - Generic Incentive: If the member or physician requests a brand-name drug, and a generic equivalent exists, the member pays the generic copayment PLUS the difference between the cost of the generic drug and the brand-name drug.
    - Home Delivery Incentive: When a member chooses to fill a prescription a fourth time at a retail pharmacy within 180 days, the member will pay twice the normal retail copayment.
